Who are the PP/POWs?

Briefly, Political Prisoners and Prisoners of War are those persons who have been sent to prison for their conscious revolutionary political activities on the streets. Prisoners who went to prison as a result of non-politically motivated "crime" and became political while in prison are not Political Prisoners or Prisoners of War. Though all prisoners righteously struggling against the repressive prison system should be supported, PP/POWs deserve the priority support of the revolutionary movement that they have sacrificed their freedom to build. As anarchist POW Ojore Lutalo has stated, "*Any political movement that does not support its political internees is a sham movement!*"

This list has been compiled and is maintained by the Los Angeles branch of the Anarchist Black Cross Federation. The ABCF is a collection of North American ABC collectives who have joined together to focus our collective energies on supporting and defending PP/POWs. For more information about PP/POWs, what we do in support of them, and what you can do to help, contact us:
